

There are  
HomeSaver®  
Chimney Relining  
Systems to fit  
every chimney  
configuration.

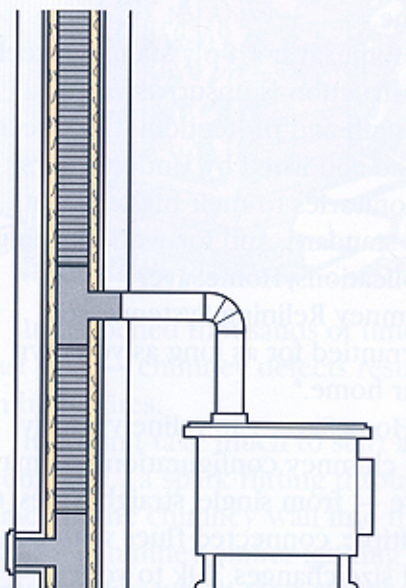

HomeSaver® is flexible to accommodate flue bends.

HomeSaver® OvalFlex™ easily fits through fireplace dampers.

HomeSaver® RectangleFlex™ is for most rectangular flues.

HomeSaver® RoundFlex™ is perfect for typical stove installations.

# HOME SAVER

CHIMNEY RELINING SYSTEMS

Make sure it's  
genuine  
HomeSaver® —  
look for the  
HomeSaver stamp  
on the pipe.
